Yes, each age group will have a designated snack time so please be sure to your child bring a snack as well as a water bottle.

- **Who is supervising my child?**

Well qualified and trained Lil' Kicker coaches are with the kids at all times. They love what they do, and are great with kids of all ages!

- **How are campers divided into groups?**

Campers are grouped primarily by age, but we do take into account individual differences in social and cognitive development. Each group follows specific curriculum designed to meet the needs of the campers.

- **If my child has an allergy or needs to take medication, who do I contact?**

You should contact the Lil' Kickers coordinator when checking your child in at the front desk. Let them know of any allergies or medication your child may need, such as an EpiPen. They will notify the rest of the staff and have the medicine kept in a safe and centrally located area. Please note that we are unable to assist children in administering their medications.

- **Do I need to stay at the arena for the entire duration of camp?**

No, parents are not required to stay. If that is the case for your child, that an adult will not be present at the arena, we ask that you check in with your camp coordinator to verify that any and all emergency numbers are up-to-date.

- **Am I able to drop off my child early or pick them up late?**

Yes, we offer both early drop-off and late pick-up. However, both must be requested/paid for and worked out with your Lil' Kickers Coordinator in advance.

<i>18 - 24 months</i>	Soccer for toddlers. Gross motor development: running jumping, stopping, balance, kicking.
<i>50 minute classes</i>	Basic cooperation and listening skill development safe, fun exercise for parent & child.
Thumpers	Parents & kids, led by one of our instructors, play organized games together to develop listening skills, balance, ball skills & foot-eye coordination. <i>2-3 years</i>	Gross motor development: running, jumping, stopping, balance, kicking.
<i>50 minute classes</i>	Focus on following directions and learning basic organized games.
Cottontails	Cottontails is a class designed for children who are ready for more of a challenge than a Thumpers class, caregiver, as in our Hoppers class. Cottontails classes also offer another component--helping your child build a sense of independence. As children progress through the session and become ready for more independence, parents can choose to transition to a less active role in the class, helping prepare them to transition into Hoppers classes.

<i>50 minute classes</i>	General child development: sharing, cooperation, listening skills, introduce teamwork, waiting your turn. Excellent exercise in a safe and fun atmosphere.
Hoppers	Three and four year-olds get a fast-paced, fun exposure to the most popular sport in the world. Classes focus on foot-eye coordination, dribbling, scoring and balance. Hoppers classes will also introduce the concepts of teamwork and cooperation. Hoppers will not play any competitive soccer games.

<i>3-4 years (Intermediate)</i>	Sports development: foot-eye coordination, balance, basic team concepts, spatial awareness, introduction to soccer rules, passing and small-sided scrimmages (depending on each class).
<i>50 minute classes</i>	General child development: sharing, cooperation, listening skills, introduce teamwork, waiting your turn. Excellent exercise in a safe and fun atmosphere.
Big Feet	Big Feet classes are for 5 and 6 year-olds who have not played soccer before. These classes concentrate on giving beginning kids a set of basis soccer skills (dribbling, passing, trapping, scoring) and some confidence on the field of play. Kids will be introduced to the ideas of sportmanship and team play. Kids will play some small-sided soccer games & be encouraged to progress into Micro classes.
<i>5-6 years Beginner</i>	Sports development: foot-eye coordination, balance, basic team concepts, spatial awareness, introduction to soccer rules, passing and small-sided scrimmages (depending on each class).
<i>50 minute classes</i>	Basic soccer instruction for those who have never played soccer before. Instructors make learning the game of soccer fun in a non-competitive environment.
Micro Classes	Micro Classes are non-competitive, developmental classes for kids 4-9 years designed to enhance individual and team skills; with an emphasis on fun and safety. Micro Classes are for kids who have prior soccer experience. Classes consist of 30-35 minutes of instruction and 15-20 minutes of scrimmage.
<i>4-5, 6-7, 8-9 years Intermediate</i>	Soccer instruction by talented instructors who make learning skills fun. Non-competitive and fun--the focus is on effort, not results. No goalies, no score keeping. Gateway into leagues.
<i>50 minute classes</i>	1/2 Instruction, 1/2 Scrimmage - introduction to tactics. Emphasis on skill development, not winning
