### **What should my child wear?**

Participants should wear comfortable shoes (no outdoor cleats). Shin guards are required for Jackrabbits and Micro Classes. Lil' Kickers jerseys are given to first-time customers for free and are available for purchase after that. Outfitting your child in Lil' Kickers garb is a fun way to make your child feel a part of the team. Kids naturally appreciate looking like older uniformed kids & role models.

### **How long are your sessions?**

We offer four sessions a year (Fall, Winter, Spring, Summer) that last approximately 9-13 weeks depending on the season.

### **Can I join in the middle of the season?**

Yes! We offer open enrollment so that you can join anytime and have your class fees prorated, meaning that you pay only for the remaining classes and not the full session fee.

### **What is your make-up policy?**

Make-up classes can be made online, based on availability, and you must reschedule within the current session. We do our very best to accommodate your requests. If you have multiple children, please schedule a make-up class for each.

### **How long is each class?**

Each of our classes lasts 50 minutes with a water break halfway through, so be prepared with a water bottle.

### **What is your policy for accommodating children with special needs?**

Lil' Kickers is an inclusive program for children with special needs as long as we can assist them appropriately. Please contact your Lil' Kickers Coordinator for more information on where your child with special needs fits.

### **How is Lil' Kickers different?**

While many soccer programs are busy using traditional soccer drills to drive home the fundamentals of soccer, we approach coaching from a child-centered perspective. Our main goal is to make learning fun for kids. We do this by putting instruction into a context that children understand using special techniques designed around how kids naturally learn. Lil' Kickers teaches your child the fundamentals of soccer but focuses on the whole child. Our program helps build social, emotional, and well-balanced and conscientious individuals on and off the soccer field.

## Class Descriptions

<i>18 - 24 months</i>	Soccer for toddlers. Gross motor development: running jumping, stopping, balance, kicking.
<i>50 minute classes</i>	Basic cooperation and listening skill development safe, fun exercise for parent & child.
<b>Thumpers</b>	Parents & kids, led by one of our instructors, play organized games together to develop listening skills, balance, ball skills & foot-eye coordination. Thumpers is the ideal next step for Bunnies veterans who are not yet old enough for the Hoppers level, & a perfect introduction to Lil' Kickers for new players.

<i>50 minute classes</i>	Focus on following directions and learning basic organized games.
<b>Cottontails</b>	Cottontails is a class designed for children who are ready for more of a challenge than a Thumpers class, caregiver, as in our Hoppers class. Cottontails classes also offer another component--helping your child build a sense of independence. As children progress through the session and become ready for more independence, parents can choose to transition to a less active role in the class, helping prepare them to transition into Hoppers classes.

<i>50 minute classes</i>	General child development: sharing, cooperation, listening skills, introduce teamwork, waiting your turn. Excellent exercise in a safe and fun atmosphere.
<b>Hoppers</b>	Three and four year-olds get a fast-paced, fun exposure to the most popular sport in the world. Classes focus on foot-eye coordination, dribbling, scoring and balance. Hoppers classes will also introduce the concepts of teamwork and cooperation. Hoppers will not play any competitive soccer games.
<i>3-4 years (Beginners)</i>	Physical development: foot-eye coordination, balance, basic soccer skills (dribbling and shooting).

<i>3-4 years (Intermediate)</i>	Sports development: foot-eye coordination, balance, basic team concepts, spatial awareness, introduction to soccer rules, passing and small-sided scrimmages (depending on each class).
<i>50 minute classes</i>	General child development: sharing, cooperation, listening skills, introduce teamwork, waiting your turn. Excellent exercise in a safe and fun atmosphere.
<b>Big Feet</b>	Big Feet classes are for 5 and 6 year-olds who have not played soccer before. These classes concentrate on giving beginning kids a set of basis soccer skills (dribbling, passing, trapping, scoring) and some confidence on the field of play. Kids will be introduced to the ideas of sportmanship and team play. Kids will play some small-sided soccer games & be encouraged to progress into Micro classes.
<i>5-6 years Beginner</i>	Sports development: foot-eye coordination, balance, basic team concepts, spatial awareness, introduction to soccer rules, passing and small-sided scrimmages (depending on each class).
<i>50 minute classes</i>	Basic soccer instruction for those who have never played soccer before. Instructors make learning the game of soccer fun in a non-competitive environment.
<b>Micro Classes</b>	Micro Classes are non-competitive, developmental classes for kids 4-9 years designed to enhance individual and team skills; with an emphasis on fun and safety. Micro Classes are for kids who have prior soccer experience. Classes consist of 30-35 minutes of instruction and 15-20 minutes of scrimmage.
<i>4-5, 6-7, 8-9 years Intermediate</i>	Soccer instruction by talented instructors who make learning skills fun. Non-competitive and fun--the focus is on effort, not results. No goalies, no score keeping. Gateway into leagues.
